

WANGANUI EAST SCHOOL

*Newsletter No. 23
10 August 2012*

Greetings, Tena Koutou, Talofa.

Principals Awards.

- R2 Jayla. For working hard to achieve in her new class.
- R3 Chace. For always making an effort with his appearance and looking smart.
- R5 Mikayla. For being on task and finishing all work on time.
- R8 Katie. For an amazing attitude towards all learning.
- R11 Teariki. Putting more effort into all areas of his learning.
- R15 Blair. Making great connections in Maths.
- R16 Jackson. Using fantastic written language and trying new skills.

The Rodayo Robin Taonga Principals Award.

- R12 Jada. For always doing her very best work.

Vandalism.

There has been significant vandalism at the school recently. We would appreciate it if you would ask your children to stay out of the school grounds after school and in the weekends until further notice. Neighbours have reported children playing with scooters on the roofs and not respecting our school environment and we have asked them to contact the Police should they have any concerns. We appreciate your support in this matter.

Senior Camp.

Camp is fast approaching. Room 11 & 12 camp is Wednesday 12th – Friday 14th September.

Camp fees must be paid in full by Friday 14th September.

Room 15 & 16 camp is Wednesday 19th – Friday 21st September. Camp fees must be paid in full by Friday 14th September.

All permission/health forms should have been returned by now, if you have not completed one for your child please do so immediately.

Camp Fundraiser – Grocery Raffle.

The winners of the grocery raffle were ticket number 238 R. Bray and ticket number 931 Tai.

Thank you to everyone who supported the fundraiser.

Cell Phones for Starship.

A big thank you to all everyone who has sent along their old cell phones. With the recent closure of the Telecom CDMA network it has never been a better time to give the Starship Mobile Phone Appeal a big push. Parents, family and friends are encouraged to donate obsolete phones. From the sale of the phones collected by school Starship Hospital is able to fund the National Air Ambulance and our school is able to gain valuable rewards and the environment benefits as well as landfills are kept free of mobile phones. Please continue to bring old phones to the office.
