As a review of our school Charter the Board have revisited the school vision and mission statement.

Vision: "Every Child Achieving"

Rationale:

- Addresses key function of the board and school – i.e. student achievement.
- Underlines our commitment to the community that irrespective of a child's cultural background, academic ability or experience, special needs or social circumstances, their achievement will be a priority at our school.
- Highlights school's commitment to relational pedagogy – i.e. get to know and understand each child as an individual and target teaching strategies accordingly.
- Echoes our key ACHIEVE curriculum values.

Mission Statement: "To create a positive learning environment that support every child's well-being and achievement"

Rationale:

- The mission statement is a declaration of how you intend to achieve your overall vision. In this case, "every child achieving" will be accomplished through developing a positive learning environment.
- Achievement is intrinsically linked to well-being, therefore addressing student emotional, physical and social needs is a key component to the curriculum.

Computers in Homes.

We are hoping to start a Computers in Homes course here at school. We need more registrations if this is to go ahead. Call at the office for a registration form and information. The course involves 20 hours training and costs \$50.00 (payable by instalments). On completion you will receive a reconditioned PC loaded with MS Office 2010 and Windows 7, subsidised internet and computer servicing for 12 months, 20 hours free training and more if you want it. All this for just \$50.00!

Message from Neighbourhood Watch.

There have been reports of children being approached by unknown males. These incidents have occurred on St. Johns Hill, Kowhai Park and Wanganui East. On at least one of these occasions incentives were offered for a child to accompany the offender. Adults should be on the lookout for such behaviour, and immediately report such incidents to the Police.

Soccer.

Wanganui East vs City Rockets, our last game of the year was a good win 7 – 0. Goal scorers: Regan 2, Akiwa 2, Charlie 2, Sukhvir 1. We played 12 games over the season winning all 12. We scored 80 goals and conceded only 14, with everyone in the team scoring a goal at some stage.

Well done to Charlie, Akiwa, Regan, Rhuma, Sukhvir, Ryan, Harry and Tyson who represented the school very well. Thanks to the parents, grandparents and other supporters over the season, and to Robbie Martin who came and refereed our games. Hope to see you all back playing next year.

Congratulations to the Wanganui East School Soccer team. They played 12 games and won 12 – what a tremendous achievement!
