## ACHIEVE Leaders Day.

It's the 14<sup>th</sup> March and the AHCIEVE Leaders are going to a camp near Ruakawa Falls. First we play some games that use team work and co-operation, which take awhile, but we all eventually got it done. Next we do the monkey tails which use balance and also people to catch you if you fall. Next is the flying fox and some rope swinging. After this is the rock climbing. We climbed up and touched the roof the hardest one was only completed by three people, Jacqueline, Martina and me (Jackson). Next is the ships ladder, the centipede and the wobbly wall. You climb it and stand on a beam. Looking down is really freaky, and you have to have trust in your friends helping you. Next we talked about the day and had one more team work game. Now we left back for home after a great day near Ruakawa Falls.
