### **Newsletter Advertisers.**

We will shortly be having a new issue of our school's newsletter printed. The newsletters will be used throughout the year to keep our families and school community informed regarding school activities. The newsletters are financed through the support of advertisers whose advertisements will appear on the newsletters for a year. This enables the school to receive the newsletters free of charge.

Should you, or anyone you know, like to place an advertisement on the back of our school's newsletter please contact Dennis or Jeanette Neeve of Newsletters Unlimited, phone 09 817 3867 or email newsletters@xtra.co.nz

This is a great way to keep you business in front of the local community and also help our school.

Life to the Max is one of 3 local organisations being supported with this fundraiser. Please consider putting your tokens in the LTTM Box.

### **Young Cyclist of the Year.**

It's finally time? Time for the Young Cyclist of the Year. I have butterflies in my tummy, and nerves tingling down my spine.... John and I arrive, there's only one other school there. Finally, everyone else arrives, time to start the competition. Test time, by test I mean written test. Straight after it's the biking test. On my round I knocked over a cone (Oops!) and John forgot to look back. Now onto the skills course... I think we did ok. We messed up a little. Here comes the moment of truth! Da da da da, the winners are..... Not us. But we had fun anyway!

*By Renee  
Room 15.*

Well done to Renee and John who represented the school at the Young Cyclist of the Year Competition on Wednesday.
