Room 7 & 8 Camp.

Room 7 and 8 ventured to Landguard Bluff for two days of activities on the 10th & 11th November. We stayed in cabins, which the Army usually use and enjoyed good weather.

A highlight was a long walk to South Beach and a scavenger hunt where students had to engage with their environment and discover clues. We even managed to build sandcastles before the tide washed them away. Luckily we had a visit to the Splash Centre at the end of camp to wash ourselves clean.

An important part of our camp involved co-operative group work around our achieve values. There were six rotations and activities.

Little Achievers & Te Mana.

Little Achievers and Te Mana have now finished for 2016.

Please return all Te Mana pack to the office before the end of term.

Inter-school Athletics.

A team will be representing our school at the inter-school athletics at Cooks Gardens on Tuesday. Best of luck everyone.
