### **Reading Together Workshops. Room 8's Turn.**

Reading Together is a series of four workshops for parents and caregivers to learn simple ways to support their children's reading at home. The workshops are fun and informative and have been well received by Wanganui East School families. This term it is Room 8 parents' turn for this great opportunity to continue to support your children's learning. Workshops start next Wednesday evening and we look forward to seeing you all there. For further information talk to Nicki Keyes or Kaye Clow.

### **Child Restraints.**

From 1<sup>st</sup> November it is law for children to use an approved child restraint until their 7<sup>th</sup> birthday while travelling in a vehicle. Children under the height of 148 cm will be required to use a booster seat.

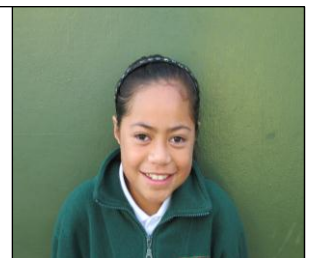

What this means for the school is that we will need to consider our future Education Outside The Classroom transport options.

### **Sports Uniforms.**

Please check at home for any school sports uniforms and return them to school.

We are missing a few from various sports teams.
