

19 February 2016

Kia Ora, Talofa, Fakaalofa Atu, Hello.

A big welcome to Reipan, James, Leeroy and Hinehou.

As Principal I am super proud of our students who have started the year off with a positive attitude towards their learning.

A big thankyou to the families that came down to the school to help with the clean-up over the holidays after we were vandalised. Unfortunately the big adventure playground is out of bounds as it is unsafe for the children. We are looking into the repair and this should be underway very soon.

As you are aware the splash of colour going up is looking pretty smart. We are now ready to start painting the junior playground and the sandpit. If you would like to help out we are putting together a team of parents to start the painting. This can be after school or on the weekend, whatever suits. Please let me know if you are keen.

On *Wednesday* Te Mana (after school learning programme to support students in Literacy and Numeracy) will begin at 3 p.m. to 4 p.m. Your child has brought home a notice for you to sign. If you would like your child to be a part of this programme, please contact me for more details.

Little Achievers will begin on *Friday 26th February* at 9.00 a.m. in the staffroom, the programme provides the children with early numeracy and literacy activities to prepare them for school. Twice a term the children spend 1 hour in the NE room to familiarise them with the class environment. All Welcome.
