

Kia Ora, Talofa, Fakaalofa Atu, Hello.

Wow! What amazing weather we have had this week and it is great to see the children out and about playing and being sun safe. If your child needs a sunhat they can be purchased at the office.

Welcome back to Room 5 & 6 from camp. It sounds like you all had a fantastic time away. Room 15 & 16 are enjoying themselves just as much from the texts and photos on facebook that we have received.

A huge thank you to UCOL who came and gave our students a free concert at lunchtime yesterday. The children thoroughly enjoyed it and danced up a storm.

Enjoy your long weekend.

Miss Keyes
Deputy Principal

School Closed.

School will be closed *Monday 27th October* for Labour Day.

School Events.

one thing every day”
Sophie, Room 6

Camp Fun.

On the 14th October Room 5 & 6 went on camp to Mangatepopo. There were loads of fun activities like trout fishing (coming first at 860 gms was Te Ariki's fish), snow, Taranaki Falls, Lake Rotopounamu walk, glow worms (although we didn't see any, the walk was nice), Waiouru Army Museum and lots of other things.

On the last night we all played Spotlight, which was great! Charlie's dad became the vegetable police and there were just about no food scraps.

On the last morning he won a cabbage.

We wouldn't have made it if it weren't for the teachers, parents, Mr Ash Mayor (the bus driver) Mr Paul (tour guide) and of course the kids. We all had a great time!

By Angus.

Room 6.

Love Spring.

I like the blossom trees they are bright purple blossom flowers.

The bees are nice because they make honey for us to eat.

I really love this year but I don't like it when the sun gets too hot because I will have to get an ice cream from the freezer.
