Kia Ora, Talofa, Fakaalofa Atu, Hello.

A message from Constable Rob.
The recommended age for riding a bike to school is 10 years old. At this age children are aware of the speed of traffic and have developed a good road sense. It is nice to see riders at Whanganui East School who are wearing high visible vests as part of their safety gear. Please remember to bike on the road, this is a lot safer than the footpath. The holidays are a good time to be out teaching your child how to ride safely on the road.

Have a safe holiday and we look forward to another exciting term ahead.
