

Welcome to our new students Dallas, Israel, Halex, Kahurangi, Amelia, Korben, Joseph, Te-Nawe, Koby, Aqualahzae, Mossie, Rawiri, Johnae and Jackson to the Whanganui East School Community.

This term is zapping by very quickly. A big thank you to our parents who have attended the Learning Conversations, it is important that we work as a team to ensure that your child is getting the very best learning at school. We know that the high levels of Achievement in 2017, were a result of the two-way partnerships we have with Whanau.

If at any time you want to come in and talk about how your child is going with their learning please contact the classroom teacher and we will make a time that suits you to have a chat.

Te Ako Puna Ki Tōtara Puku is now officially open and is now taking enrolments. Matua John blessed the building last Friday and on Tuesday, with support from the children who are part of Te Roopū O Tōtara Puku, we welcomed the Whanganui Kindergarten onto the school site with a Powhiri.

On Monday 26th the ACHIEVE Leaders and Peer Mediators went to Keith Street School to learn about PB4L. We met other schools and wrote down what makes our school special. We also had to write down what we would change about our school if we had the responsibility. Some of our ideas were being able to lead team sport, showing around new students and sharing what PB4L is and create posters to go around the school to show what PB4L is. We enjoyed the day and felt that we learnt a lot.

Inter-school Swimming Sports.

On Wednesday 28th March at 10.30 the Senior Swimming team left for the Splash Centre. We were going to the Inter-school swimming sports but not only to compete but to enjoy ourselves and have a good time. When we got there we signed in the found ourselves a seat. We were there kind of early so we had time to eat and get ready before we raced. We were all nervous but secretly excited at the same time. We all had an amazing day and were proud of our races.
