Parent Afternoons.

Tuesday 4th December at 2.00 p.m.

We are planning a celebration of our children's inquiry work by having a walk-through of classes throughout the school. This is to allow parents to see the toys and games the children have been making and give the children an opportunity to show and play their games with their family. All family members are welcome.

Every Thursday we all enjoy participating in Kapa Haka. We would like to share what we have been learning with you. You are invited to attend school at 2.00 p.m. on Thursday 6th December. Please wait outside the school gates on Patapu Street for the children to welcome you. We look forward to seeing you there.
