

Kia Ora, Talofa, Fakaalofa Atu, Hello.

Our school is currently being “snapped” and near completion.

What this means for us is that the children in the near future will have access to ultrafast broadband. This will enable us to make more strategic decisions about our future digital direction.

Newsletters.

We are looking for support. We will shortly be having a new issue of our school's newsletter printed. The newsletters will be used throughout the year to keep our families and school community informed regarding school activities. The newsletters are to be financed through the support of advertisers whose advertisements will appear on the back of the newsletter for a year. This enables the school to receive the newsletters free of charge.

Should you, or anyone you know, like to place an advertisement on the back of our school's newsletter please contact Dennis or Jeanette Neeve of Newsletters Unlimited, Phone (09) 817 3867, or email newsletters @xtra.co.nz

This is a great way to keep your business in front of the local community and also help our school.
