### Uniforms.

Just a reminder that children need to be wearing the correct school uniform. Skivvys under poloshirts are to be white, black or green. Girls can wear stockings under skorts but please no footless tights or leggings. Children are to wear black shoes. Black sneakers are fine but not coloured soles or coloured laces. Gumboots are not part of the uniform and are not practical for physical activity.

### Rotary North Dictionary Challenge.

#### Dictionary Quiz.

We had to come to school. We got in the car and when we got to the RSA we went in and had a coke or lemonade. We had to take our dictionaries that the Rotary club had given us. We sat at a table with a buzzer. We were the Amber Team. We had to answer lots of questions about our dictionaries. Jahstice got the first question right. He found the word "man" on page 150. The other schools we faced were Churton and Tawhero. The winners were Churton and we came second equal with Tawhero.

At the end we each got a goody bag with pens, jellybeans, a diary, a book, a notebook, a yo-yo, a calendar and a \$30 voucher for Whitcoulls. We also won a \$20 Whitcoull's voucher which we will use to buy a wet day activity for room 6. It was fun and exciting! Thank you Rotary!
