### Dublin Street Bridge 100 Years.

Great turn out from our students who came on Sunday and celebrated as a school the 100<sup>th</sup> Year of the Dublin Street Bridge.

Elizabeth with Mrs Metcalfe were there to cut a cake baked by Mrs Hendry to celebrate the past, present and future.

Angus dressed in period costume and along with Lyzz and lollypops encouraged the public to visit our school Gazebo which was carefully put up by Mrs Ray and Mr Waite.

The work presented by the students was of high quality and the public acknowledged the hard work put in to the displays.
