### Inter-school Netball.

Yesterday Wanganui East put 3 teams into the interschool netball tournament. They were the A, B and a mix of the C team and some other interested players.

We played against different teams. The C team played hard and smiled at the end of each game.

The A and B teams had a very successful day as the B team won most of their games and the A team came second.

Everybody played with fantastic skills and sense of fair play.

We were thrilled with Sequoia, Tikaisha, Janaea, Haileigh, Skyla and Christopher who do not play netball on Saturdays joining our team.

What a marvelous end to the netball season!

### The ACHIEVE Tree.

Once at Wanganui East School, there was a seed and it wasn't any old seed, it was an AHIEVE seed. And it grew and grew and grew until it became a big tree representing seven words: Attitude, Co-operation, Haoura, Integrity, Effort, Values, Enjoyment. And if you look hard enough you might see an ACHIEVE tree.
