Health.

Our health nurse Gemma has finished at Wanganui East. We will let you know who our new nurse is when he/she is appointed.

Remember to check out the Health noticeboard in the library window. It has been updated again this week with new information for parents.

There have been several cases of headlice lately. Information on treatment is available from the office. Please check your child's hair regularly and treat when necessary.

Pedestrian Crossing Concern.

Any parents / caregivers who are concerned about the pedestrian crossing on Duncan Street outside Savages Bakery please feel free to contact Chris McCleary on 343 2935. Mr McCleary is organizing a petition to have the crossing moved to a safer area.

Dog Danger.

Please remind your children not to tease dogs especially those that are behind gates or fences. Some children are teasing a dog on the corner of Kapa & Tangaru Streets on the way to and from school. The owner is concerned that the dog will bite. Two collars have been taken off the gate by children which means the dog will get out.
