Secret Agent Nina Martin.

Dear Reader,

Hi, my name is Nina Martin and I am a British Secret Agent. I work undercover for the British Secret Agent Company. My home town is the city of London, where I solve heaps of missions and help people get home. All British secret agents have to move back to England because in New Zealand there are evil agents plotting to destroy and kidnap you. However you people have to go hurry up and get back to England or you will get kidnapped or worse destroyed. I am going to dispatch a dangerous message to all your other secret agents.
